

*Nurturing your investment*

First Select have been established in Asia since 1998, assisting clients of all nationalities in securing their financial future. We take the time to understand the needs of our clients, and provide the care and professionalism they expect from their advisor.

As an independent company we are able to offer comprehensive and unbiased advice based on extensive knowledge and experience. Our relationship with major banks and international investment houses enables our clients to choose from a wide range of investment vehicles.
